

## PROJECT SPOTLIGHT

**RPG Surface Prep and Industrial Services**

152 Blades Ln, Suite M, Glen Burnie, MD 21060 • [www.rpgsurfaceprep.com](http://www.rpgsurfaceprep.com)

The RPG Tank and Containment Team was called for an emergency repair to an FRP tank base in a process critical tank. The team mobilized immediately, reinforced the cracked base with a proprietary carbon fiber system and solidified the repair with a multilayer high pressure internal wrap. We were able to return the tank to service within 36 hours. Below some of the additional services we offer.

- Containment Area Repair / Coatings
- Water Intrusion / Crack Injection
- Concrete Repairs
- Tank Repairs
- Tank Linings
- Joint and Crack Repairs
- Extreme Acid and Base Coatings
- Concrete Shot Blasting
- Ultra High Pressure Concrete Prep
- Concrete Polishing
- All Forms of Moisture Mitigation
